Re: Proposed Partnership — Agricultural Division Collaboration

Dear Mr. Mohammed,

Thank you for your correspondence regarding the proposed partnership between our agricultural divisions. At Global Resources Citadel, we take great pride in our commitment to sustainable growth across every sector we operate in, and we are pleased to explore this opportunity further.

Our team has reviewed the preliminary terms and we believe there is strong alignment between our respective organisations. We would welcome an opportunity to meet at your earliest convenience to discuss the finer details of this arrangement.

Please do not hesitate to contact our offices should you require any additional information prior to our meeting.

Yours sincerely,

Awwal Ibrahim
Group Managing Director
